## II. BASIS FOR JURISDICTION

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

3. The Amount in Controversy.

The amount in controversy-the amount the plaintiff claims the defendant owes or the amount at stake-is more than \$75,000, not counting interest and costs of court, because (*explain*):

A. Fraud/Marriage Fraud. Which had caused multiple damages to my whole family. Family stands the most important place in the big picture. Because I'm the only child, the effect of nerves increased multiply through the connection.

B. Countless Crimes/illegal acts such as Domestic Abuse/Violence/Torture, Bigamy /Double Bigamy, Defamations and False Reports, Perjuries and Collusions, Isolations, Forgeries, Frames, Libels and the Caused Injuries, Mischiefs, Burglaries, Trespasses, Anticipatory Offenses etc. had damaged me deeply into spiritually broken down.

C. The Group and the collusions caused the secondary damage.

D. The Seattle Police Department and King County Superior Court Family Court caused the triple damage.

E. The City Attorney caused the quadruple damage.

F. The Seattle Municipal Court caused the quintuple damage.

G. Miguel Rivera (aka) destroyed my whole life, damaged my friends, families, everyone he knows or might think of. There will not be justice with representations open mouth for anyone there will not be close to justice with blindness and neglections to the law and rules. The cruel discrimination lawlessness neglecton and the failures of policy implementation, the ostensible never fulfilled statements/judgements, the formularized predictable procedures, the ease of using the system, the stubbornness of formulars and damages caused, with the reversed purpose of attorneys against to the law, (court's) unknown operations behind the court as the most important part formed the sextuple damage.
